TRUCKING & DELIVERY RATES

TRUCK TYPE	CAPACITY	DELIVERY RATE	MINIMUM	WAIT TIME
END DUMP	16 TONS	\$13.50 / MILE	\$150	\$150 / HR
SIDE DUMP / TRUCK & PUP	27 TONS	\$10.50 / MILE	\$175	\$175 / HR

- Delivery charge = loaded miles from the Evenson Construction Merriman Quarry to the jobsite x the applicable truck rate.
- Minimum trucking: \$150 end dump / \$175 side dump or truck & pup. A fuel surcharge may apply.
- Winter conditions or wait time longer than 15 minutes converts delivery to the applicable hourly rate.
- Excess loading, unloading, or jobsite delay may be billed at the applicable hourly rate.
- Material availability is subject to current inventory and production.
- Prices are subject to change without notice.
